Godeval
BODEGAS

Noble white wine of approx. about 13 degrees of alcohol, single varietal, in which the Godello variety concentrates its characteristics shaped by climate Atlantic with continental influence and by the slate soil on which the strains. It is a young and aromatic wine, of which He will always ask for another drink.

TASTING NOTES

Green tinge colour with nacreous glints. It possesses an excellent and powerful bouquet. It is deep, elegant and reminiscent of tree fruit. On the palate, it is light, soft and pleasant. The sharp and sweet touch of this wine makes it very personal and balanced, with a marked structure.
