Description of business:

Since 1982 began the history of success of Borges Foods Ltd.

Many years of hard work and experience created the foundations for the company to be able to surpass the inter-provincial barriers by obtaining a license to operate and distribute its products in Canada in 1996. Our products include our own manufactured goods and imports that we distribute across Canada.

"Quality, Innovation, and Competence."

Always respecting the culture values by which the company exists and the natural taste of the genuine, Borges Foods to the evolution of eating habits by creating a complete scale of varied Borges products.

These are the three driving forces behind Borges Foods. They are its past; its present and they will be its future. They are its trademark and the guarantee that Borges will always have a special place at your table.
