Description of business:

Madhu Wines is comprised of a passionate group of wine enthusiasts. Our purpose is to promote Portuguese wines in Canada and around the world.

Portugal may not be the first country people think of when they think of the finest wine growing regions in the world but we at Madhu Wines will change that. We will introduce the world to the great Portuguese wines by creating a complete wine drinking experience and opening the doors to those who want to open their palate to the brilliance of Portuguese wines.

The Madhu name may be new but its meaning has been around since the very beginning of wine itself. Let us introduce you to something unique yet familiar.
