# Corporate Procurement

<https://www.worldbank.org/en/about/corporate-procurement>

The World Bank Group's Corporate Procurement Unit is responsible for the coordination and oversight of the sourcing strategy, selection, and contract execution for

- ✓ goods,
- ✓ services,
- ✓ construction,
- ✓ and **consulting services** (including financial and accounting services, training development, management consulting, and audit services).

## En qué consiste?

- **O propio BM actúa como axencia executora** e define os *Terms of Reference ("TOR")* e Orzamento (*Budget*), termos e condicións, criterios de avaliación e ponderacións, e método de selección (entre outros):
  - **Consultor(a) individual\*** (*Short Term Consultant (STC), Short Term Temporary (STT), Extended Term Consultant (ETC), Extended Term Temporary (ETT), Junior Professional Associate (JPA), Regular, Local Staff Regular, Open-Ended, Term, Executive Director Assistant and Special Assignments*); ou
  - **Firma** Hai que ter en conta o alcance e orzamento, no caso de poder escoller.

# Métodos de selección (I)

---

**For firms**, there are three selection methods:

**Full competitive selection:** for firm selections estimated to cost over US\$250,000 where, given the value of the contract and/or risk associated with the assignment, a robust competitive selection process is required, including advertising the Expression of Interest (EOI) is required for a minimum of 14 calendar days and Procurement Specialist (PS) clearance of the shortlist and Request for Proposal (RFP); or

**Simplified competitive selection:** for selections estimated to cost up to and including US\$250,000 where a shorter time frame for advertisement is required (minimum 7 calendar days), no shortlist or RFP approval or clearance is required; a smaller evaluation committee is permitted; and a simplified contract award approval process is required; or

**Single Source selection:** where it can be demonstrated that it presents a clear advantage over competition, or where the contract value is US\$50,000 or less.

**For individuals (i.e., STC, STT, ETC...)**, there are two selection methods:

**Comparative selection:** for appointments where fees are estimated to be more than \$50,000, the TTL / TM compares three or more qualified CV's and proposes the selection to the Approver for approval; or

**Single Source selection:** where it can be demonstrated that it presents a clear advantage over a comparative selection, or for appointments where fees are estimated to be \$50,000 or less, the TTL / TM selects one candidate for approval by their Approver.

The INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT is an international organization of which the United States is a member.

Article VII, Section 9(b) of the Articles of Agreement of the Bank (60 Stat. 1458) provides as follows:

"No Tax shall be levied on or in respect of salaries and emoluments paid by the Bank to executive directors, alternates, officials or employees of the Bank who are not local citizens, local subjects, or other local nationals."

This provision has full force and effect in the United States by virtue of Section 11 of the Bretton Woods Agreements Act (22 U.S.C., Section 286(h)), which provides:

"The provisions of article IX, sections 2 to 9, both inclusive, and the first sentence of article VIII, section 2(b), of the Articles of Agreement of the Fund, and the provisions of article VI, section 5(i), and article VII, sections 2 to 9, both inclusive, of the Articles of Agreement of the Bank, shall have full force and effect in the United States and its Territories and possessions upon acceptance of membership by the United States in, and the establishment of, the Fund and the Bank respectively."

Consequently, no state or federal income tax may be levied within the United States on or in respect of remuneration received by a non-United States national from the International Bank for Reconstruction and Development. This exemption does not apply to taxable income paid by other employers or from other sources.
